

Facts of 2 and 5

Use your 2 and 5 facts to fill in the wheels, the skip counting rows and the stories.

① Multiply each middle number by the number in the centre.

② Skip count. Fill in the missing numbers.

By 2s

2	4		8		12		18	
---	---	--	---	--	----	--	----	--

By 5s

5		15		25		40		50
---	--	----	--	----	--	----	--	----

③ Solve each story.

A bike has 2 wheels. How many wheels do 7 bikes have?

$$\square \times \square = \square$$

wheels

A nickel is worth 5 cents. How many cents are 6 nickels worth?

$$\square \times \square = \square$$

cents

Mittens come in pairs of 2. How many mittens are in 9 pairs?

$$\square \times \square = \square$$

mittens
