Helpers in our town

We live in Truro, a town in Nova Scotia. Our town has many helpers. Ms. Park is a nurse. She works at the hospital and takes care of people who are sick or hurt.

Mr. Diaz is a firefighter. He puts out fires and keeps people safe. His fire truck has a long ladder.

Mrs. Owusu is a postal worker. She brings letters and packages to every house on our street. Rain or shine, she is always smiling.

Helpers work hard every day. What helper would you like to be?
