

I Countries and continents

Sort the countries in the box by the continent they are on.

1 Read the 24 countries. Cross each one off as you write it in the table.

COUNTRIES

India

Fiji

United States

Chile

Jamaica

Kenya

Morocco

Mexico

Peru

Canada

Ghana

Vietnam

Italy

Brazil

China

France

Japan

Norway

Papua New Guinea

Argentina

New Zealand

Australia

Germany

Nigeria

2 Write each country under its continent.

Africa	Asia	Europe	North America	South America	Oceania

3 Think about it.

- 1 There is no column for Antarctica. Why do you think that is?
- 2 Which continent do you live on? Name one more country on your continent.
