

I Nature walk tally

A class in Wales went on a seaside walk. Tally what they found, then answer.

Thing we found	Tally marks	Number
leaves		7
rocks		
feathers		
shells		

- 1

How many things did they find in all?
- 2

Which did they find the most of? Circle it.
- 3

Which did they find the fewest of? Circle it.
- 4

How many more feathers than shells?
