

# Remembering someone special

Think of someone special. Plan, write and draw to remember them.

## 1 Read and think.

On **Día de los Muertos**, families remember loved ones by telling stories about them and sharing the things they loved. Choose someone special to you: a grandparent, a friend, a neighbour or a pet. It can be someone who has died or someone you miss who lives far away.

## 2 Plan your writing.

**Who is it?**

---

---

**Things they love**

---

---

**A happy memory**

---

---

**How I feel when I think of them**

---

---

## 3 Write about them. Then draw them in the frame.
