

Compound words

Two small words join to make one new word. Read, build and sort them.

Two small words join
to make one new word.

sun + flower = sunflower

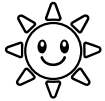

1 Read the story. Circle every compound word.

A Day at the Seashore

On a sunny weekend, Mei and her uncle went to the seashore. Mei put on sunscreen and packed a backpack. She found a starfish and a seashell. At lunchtime they ate cupcakes. Then they watched a sailboat until sunset.

2 Put the two pictures together. Write the compound word.

+

= _____

+

= _____

+

= _____

+

= _____

3 Is it a compound word? Sort the words.

popcorn

window

garden

bedtime

doghouse
