

I Convince Grandma

Read what Grandma says. Write what you say back to convince her.

You want to plant a vegetable garden with Grandma. She is not sure it is a good idea. Answer each thing she says with a **reason** that could change her mind.

You

Grandma, can we plant a vegetable garden this spring?

Grandma

A garden is a lot of work. Who will water it every day?

You

Grandma

Seeds cost money. How will we pay for them?

You

Grandma

Our yard is small. Where would the garden go?

You

Grandma

What will you do when the weeds start to grow?

You

Grandma

You have some very good reasons. Let's buy seeds on Saturday!
