

Vehicles on the compass

Cut out the vehicles. Read each direction and glue the vehicle in the right box.

- | | |
|------------------------------------|--|
| ① The airplane goes north . | ⑤ The helicopter goes northeast . |
| ② The train goes south . | ⑥ The car goes southwest . |
| ③ The bus goes east . | ⑦ The bike goes northwest . |
| ④ The sailboat goes west . | ⑧ The truck goes southeast . |

Your pieces to cut out are on the next page.

Vehicles on the compass (pieces)

Cut out each piece along the dotted lines. Glue them on page 1.
