

Comparative word search

A comparative adjective compares two things, like taller or happier. Use the rules.

Most words: add er (long, longer).

One vowel, then one consonant: double the last letter, then add er (sad, sadder).

Ends in e: add r (nice, nicer).

Consonant, then y: change y to i, then add er (funny, funnier).

1 Write the comparative form of each adjective.

Adjective	Comparative	Adjective	Comparative
tall		wide	
cold		big	
fast		hot	
loud		happy	
cute		busy	

2 Find your ten comparative words in the grid: across, down or on a slant.
