

Read a weather map

Wren Island is an invented place. Study its weather map and key, then answer the questions.

Map key

-  Sunny
-  Cloudy
-  Rain
-  Snow
-  Thunderstorm
- H** High pressure
- L** Low pressure
-  Cold front
-  Warm front

1 Use the map and the key to answer.

1. What is the weather in Eastport?

2. Which town is the warmest? What is its temperature?

3. Which town is the coldest? What is its temperature?

4. How many degrees warmer is Fernwood than Harbourton?

5. What kind of front is passing near Millbrook?

6. What weather is happening along the cold front?

7. Is Stonebay closer to high or low pressure?

8. How many towns have sunny skies? Name them.

2 The cold front is moving east. What weather might Fernwood get next? Why?
